1a. Application for Consideration

Nungate Gala

The Haddington Common Good Committee considered an application submitted by the Nungate Gala for £5000 towards funding the gala day. Members discussed the application in detail and agreed, unanimously, to partially grant £4000 due to accounts showing the capacity to fund the gala day, applications for further grants awaiting result and as the Committee are custodians of the Haddington Common Good budget they have to bare levels in mind when considering applications and they felt unable to grant fully. Members highlighted their support of continuing traditions within the community and congratulated them on their award.
